RAINS PERIL IN CANYON

Colorado At Flood Stage Causes Apprehension For Safety Of Science Party

GRAND CANYON, Ariz., (UP)—Rivermen here today expressed fear for the safety of two women and four men, members of a scientific expedition attempting to ride the dangerous rapids and canyons of the Colorado River.

Heavy rains in the Colorado basin were said to have brought the river to flood stage, threatening the party which left Green River, Utah, 12 days ago in two flat-bottomed boats. Normally June is a dry season.

"The river is dangerous and it's a tough break for them, all right," Lee Basford, a riverman for 35 years, said.

In the expedition were Miss Elzada Clover, 40, University of Michigan botany instructor; Miss Lois Jotter, 25, her assistant; Norman D. Nevills, Utah riverman; Dr. Eugene Atkinson, Michigan zoologist; Donald Harris, U. S. geological survey scientist; and W. C. Gibson, San Francisco, artist-photographer.

Their goal is the peaceful waters of Lake Mead behind Boulder Dam, Nev. Not until July 4, when the party is scheduled to reach Lee's Ferry, Ariz., will the outside world know the initial success or failure of the expedition in negotiating dangerous Cataract Canyon, which contains 32 major rapids.

Half Million Homeless

100 Dead In Typhoon And Violent Three-Day Rains In Japan; Crop Loss Feared

TOYKO, (UP)—At least 100 persons were dead and nearly 500,000 were homeless today as a result of a typhoon and three days of violent rains.

Landslides caused most of the death, including 36 in the Yokohama district and 22 on the outskirts of Tokyo where a wall on the estate of Baron Mitsui collapsed.

Police estimated that approximately 150,000 homes were flooded, refugees were quartered in schools, theaters and in the homes of relatives.

Weather bureau officials said the rains were the heaviest in 60 years. Newly-planted rice fields were flooded and it was feared that heavy crop damages would result.

Fireworks Banned On National Forest

The attention of Fourth of July celebrants who may visit Eldorado National Forest is directed to an order issued June 28th by Forest Supervisor Edwin F. Smith as follows:

"Under authority vested in me by Regulation T-1, I do declare a period of fire hazard and danger to exist between the dates of May 15, 1938 to October 15, 1938, inclusive, on the Eldorado Forest, and therefore, desire to call your particular attention to Section M, which reads as follows:

SECTION M—Prohibits the discharge of fireworks on National Forest Lands, or the placing or throwing of a burning cigarette, cigar, match, pipe, heel, firecracker or any ignited substance in any place where it may start a fire, with the exception of fireworks may be discharged over the waters of Echo Lake, Lake Tahoe, Wrights Lake, Loon Lake, Twin Lakes, Kirkwood and Silver Lakes."

Alpine Highway Open Across Summit

The Alpine highway between Jackson and Hope Valley, across the Kit Carson summit, was opened to travel Wednesday, according to word received by the forest headquarters. No report was received on the condition of the road between Hope Valley and Woodfords, on which several bridges were said to have been washed out during the past winter.

F. R. Hull, auto association representative, who was in Hope Valley Wednesday, reports the creek running bank full and the Luther Pass road between Lake Valley and Hope Valley as rough but passable.

Mrs. Maybelle Timm and Miss Margaret Kelly were among visitors in the county seat on Wednesday morning from Kelsey and vicinity.

Rain Total Heaviest Since 1911

Rainfall for the water year which ends at midnight June 30th totals 52.19 inches at this writing and is the heaviest precipitation for any twelve months since the water year of 1910-1911.

The rainfall that year was 55.31 inches.

There are only eleven years other since 1880 in which precipitation has amounted to 50 inches or more than 50 inches. Records prior to 1880 are not complete for all years, although in 1875-76 complete records show a total of 61.25 inches.

Since 1880, the total of rainfall in the years exceeding 50 inches is as follows:

1884, fifty seven and thirty-six hundredths; 1886, fifty-four and sixty-three hundredths; 1890, seventy-eight and thirteen hundredths; 1893, sixty-three and fifty-four hundredths; 1895, fifty-nine and seventy-eight hundredths; 1896, fifty-one and seventy-nine hundredths; 1897, fifty and fifty-five hundredths.

2,000 CIVIL WAR VETERANS UNITE

"Blue And Gray" Mingle On Gettysburg Battlefield In Reunion "75 Years After"

By JOE ALEX MORRIS

United Press Staff Correspondent
GETTYSBURG, Pa., (UP)—Old memories puffed like the smoke of cannon from the battlefield at Gettysburg today when veterans of the Civil War looked again on the hills that shook with the thunder of conflict three quarters of a century ago.

Men in blue along the cemetery wall where Meade's troops once lay in the grass; gray-jacketed veterans in the woods of Seminary Ridge from which once billowed Pickett's brigades; and a mingling of gray and blue across the rolling farmlands marked the final reunion of the Grand Army of the Republic and the United Confederate Veterans of the 75th anniversary of the battle.

For three days, almost 2,000 veterans from north and south have been gathering for the anniversary observance which formally opens tomorrow. Only stragglers were coming into the huge tent cities on the outskirts of the town this morning in contrast to the trainloads which arrived yesterday. This day they rested, reminisced, and saw again the greatest battlefield of the war in which they fought.

Baby Shower Tuesday For Mrs. Bigelow

A baby shower was held at the home of Mrs. Roger Douvres on High Street on Tuesday afternoon, complimenting Mrs. Winola Bigelow. Many lovely gifts were received by the guest of honor.

After an evening of entertainment, refreshments were enjoyed at a table prettily decorated in blue and pink centered by a huge bouquet of Cecil Brunner roses.

In addition to the guest of honor there were present the Mesdames Hazel Baker, Lilly Bigelow, Kate Jones, Marie Seay, Sunny Castle, Pansy Tingle, Evelyn Lucas, Marye Bloedaux, Miss Maxine Kingsland and the hostess.

Captain Hoffman Named On Bridge Survey

Captain Don M. Hoffman has been requested by the Board of Supervisors to make a survey of bridges of the county, reporting their condition and his estimates for probable expense to be expected during the coming year to maintain the bridges in satisfactory condition for travel.

3 Lightning Fires On Forest Thursday

Eldorado Forest reported three lightning fires burning Thursday, all under control, following an electrical storm over the forest Wednesday night.

Two of the fires are in the Georgetown district and the third is in the Pacific district.

Annette Bryan was a visitor Wednesday afternoon from Meyers Station and reported rain had started falling there Wednesday morning early and continued until after noon.

SONOMA DOCTOR SLAYS SELF

Note Bares Fruitless Efforts To Collect Past Due Fees To Meet Business Obligations

SANTA ROSA, (UP)—Notes left by Dr. W. E. Bixby, Sonoma County social leader, revealed today that harassment over debts caused him to take his life in his Sebastopol office yesterday after telephoning an old friend, Deputy Coroner Owen O'Leary, that "I think I have a coroner's case for you."

A prominent and supposedly well-to-do physician and surgeon for 20 years, Dr. Bixby made a final round of his clients yesterday morning in an attempt to raise enough money to pay his office rent and satisfy his bankers.

"I have tried to collect from patients owing me thousands of dollars for years. I find them all to be in worse circumstances than I. Their condition is heartbreaking," he wrote.

From noon until 5 o'clock Dr. Bixby set in his office brooding. Outside his office was a sign: "I am sorry but I can't keep office hours this afternoon."

At 5:50 p. m. he called his old friend, Deputy Coroner O'Leary. "Come on over," Dr. Bixby said. "I think I have a coroner's case for you."

When O'Leary arrived he found Dr. Bixby lying on a floor. He had shot himself in the head with a dum-dum rifle bullet.

One of the notes found beside his body directed that he be buried simply, with flowers plucked from the garden of his palatial home overlooking the city.

Continue Hunt For McCormick

Strange Man Seen In Pinon Thickets Fosters Suspicion Youth May Have Lost Mind

ALBUQUERQUE, N. M., (UP)—The Pinon thickets in the lower mountain ranges northeast of here will be intensively searched today in the hope that some trace of Medill McCormick, missing millionaire mountain climber, may be found. A strange man was seen in that area.

McCormick has been missing since June 22, when he and Richard Whitmer started to scale Sandia Mountain. Whitmer's body was found two days later on a mountain ledge where he had fallen.

Mrs. Ruth Hanna McCormick Simms, mother of McCormick, is convinced that he is not on the mountain. She feels that he may have suffered a shock, possible when he saw his friend fall, which left him dazed. If he is wandering in the area close to Sandia Mountain, however, a thorough hunt has revealed no trace.

Mrs. Ancil Hoffman Hurt In Tahoe Crash

Mrs. Ancil Hoffman, of Sacramento, suffered a broken arm and her nephew suffered cuts and bruises, and their Filipino chauffeur also was injured in an auto collision Wednesday afternoon near the Y at the south end of Lake Tahoe.

Their car collided with a car occupied by two Japanese couples and a five-year-old boy, all of whom suffered cuts and bruises. Highway Patrol officer Bob Fowler and Vladimir Sabich investigated the wreck and the injured were treated by Dr. H. P. Hadden, at Al Tahoe.

"Made In Japan" Flags Provoke Magistrate

PHILADELPHIA (UP)—The fact that Joseph Tobin, 40, was not a member of a veterans' organization and thus was unauthorized to sell American flags, was not the only reason why Magistrate Atkinson Costello fined him \$50. "You have added insult to injury," the magistrate told him, "by selling American flags made in Japan."

Robert Veerkamp was a caller Thursday morning from Garden Valley.

William Higgins was a Thursday morning visitor from the Aukum section.

Glen D. Stevens was up from Sacramento, where he is employed, on Wednesday evening.

DX FANS among the friends of Lester Frost, son of Mr. and Mrs. Philip Frost, of Placerville, are as enthused as he is about the recent installation of his Hallicrafters Super-Skyrider SX17 communications receiver, the latest of its type. Lester likes the "new rig" and also his new aerial, a 60-foot affair which is the tallest amateur aerial in the Placerville vicinity.

FEDERAL DEFICIT FOR FISCAL YEAR IS NEAR BILLION AND A HALF

Income May Reach \$6,250,000,000; Public Debt More Than 37 Billions But Is Seven Hundred Million Less Than All-Time Record Set Last March

By G. W. STEWART, JR.
United Press Staff Correspondent

WASHINGTON, (UP)—The federal government ends its fiscal year today with a deficit of approximately \$1,450,000,000—the smallest in new deal history.

Income for the year ending at midnight is expected to reach an all-time high of \$6,250,000,000, nearly \$1,000,000,000 greater than the previous record set last year.

Expenditures, however, have dropped below the \$8,000,000,000 mark for the first time in three years.

Most recent official figures placed the public debt at \$37,121,538,483, approximately \$600,000,000 less than the treasury estimates of six months ago.

and \$700,000,000 under the all-time record set last March.

Reduction of the public debt resulted from the treasury's sterilization of \$1,392,000,000 of inactive gold—a move which in itself was one of the outstanding financial actions of the year.

Approximately \$600,000,000 of this money, was and will be put into public circulation by paying off relatively small quantities of treasury bills weekly. The balance remains in the treasury's cash box and is available for current expenses. The \$80,000,000 left can be used for any purpose and is expected to reduce by that amount the quantity of borrowing necessary to provide for the lending-spending program.

CAMP RICHARDSON ROOM CLERK JAILED FOR \$70 THEFT

James E. Mahoney, 33, room clerk at Camp Richardson, Lake Tahoe, was arrested at the resort Wednesday and lodged in the county jail on the complaint of the management charging theft of \$70.

Mahoney Thursday morning denied he is guilty of the charge.

Deputy Sheriff Ralph W. Jones reports that the details of the charge were not stated by the arresting officer further than to say that the complainant charged Mahoney had charge of the money, which had disappeared. The accused had \$65 and some odd cents on his person when booked at the county jail.

2 Lightning Fires On Forest This Week

Storms in the higher altitudes this week set two lightning fires on Eldorado Forest, one in the Caldor District and one in the Pacific District. Both fires were promptly spotted by lookouts and extinguished by suppression crews.

Rangers report heavy rains in the mountains during the past few days.

Rape-Murderer To Hang On September 16th

LOS ANGELES, (UP)—Albert Dyer, rape-murderer of three small Inglewood girls, will hang Sept. 16, one of the last to drop through the San Quentin gallows.

Date for the execution was set by Judge A. A. Scott yesterday after the California Supreme Court denied an appeal of Dyer. The short, swarthy WPA school crossing guard lured Jeanette Stevens and Melba and Madeline Everette to the hills last summer, strangled, and attacked them.

Birth of a daughter, Lorraine Elizabeth Croghan, to Mr. and Mrs. Morris E. Croghan, of Orland, at Placerville Sanatorium on June 26, was of record Wednesday at the office of Recorder Charles Marsh.

COUNTY "TIP" SOLVES 2-YEAR-OLD MURDER AT SACRAMENTO

An anonymous letter postmarked June 20 at Shingle Springs supposedly written by an ex-convict, gave Sacramento police information which resulted on Wednesday of this week in a confession by William Gibson Smith, 24-year-old San Quentin prison inmate, that he murdered Elmer Cox, 40, a postal clerk, during a Sacramento burglary in January of 1936.

Smith, serving a term for burglary, was admitted to San Quentin in April of 1936.

Under questioning he confessed Wednesday that he shot Cox when the latter interrupted him during a burglary at the home of Frank Durkee, a neighbor the Coxes.

Tahoe Mail Contractor Has Service Station

L. A. Dunn, who starts his contract to carry the mail between Placerville and Lake Tahoe on Friday, has acquired the Associated Oil Service Station at the Y at the south end of the lake, it was learned Thursday.

Mr. Dunn will make his headquarters at a cottage near the station and Mrs. Dunn and their son, Jack, will join him there Sunday to spend the summer.

Supervisor Dan M. Bassi was a caller on the county seat from Lotus on Wednesday.

Mrs. Ronald Giffen and son, Dick, were callers in the county seat Thursday from the Big Canyon mine.

Mr. and Mrs. Charles Bonetti and daughter, Georgia, of Shingle Springs, are home from an auto trip over the Redwood Highway in which they were accompanied by Mr. and Mrs. Charles Cope, of Roseville. Cope, a railroad man is the present mayor of Roseville. Going north over the Redwood Highway to Portland, they returned home by the inland route.

W. A. Jenkinson was a caller at this office Thursday from Indian Diggings.

NAVAL BUILDING BARS LIFTED

U. S., France, Britain Sign Protocol Permitting Boost In Capital Ship Tonnage

LONDON, (UP)—The United Kingdom, France and the United States signed a protocol today substituting 45,000 tons for 35,000 tons as the extreme limit of the size of capital ships, Alfred Duff Cooper, first lord of the admiralty, informed the house of commons.

The maximum size of guns on ships will remain at 16 inches.

Duff Cooper announced that Germany has signed a similar agreement and the adherence of Soviet Russia is expected shortly.

He said Britain had notified the other powers that she does not intend to exceed 40,000 tons as long as no other European power does so. Two British battleships on the 1938 program, he said, will be of 40,000 tons and mount 16-inch guns.

Duff Cooper's announcement was formal notification of invocation by the United States, Great Britain and France of the escalator clause of the 1936 London naval treaty.

The naval treaty limits the warships of signatory nations to specific tonnage limits. On the basis of reports that Japan was building gigantic battleships, Britain and France agreed that they had to invoke the escalator clause of the treaty. This clause permits the signatories to exceed tonnage limits in such circumstances.

Japan refused to subscribe to the 1936 treaty because the United States and Great Britain would not recognize her claim to equality in total naval strength.

File Claims By Saturday Noon

Exemptions On Assessment Work Subject Of Reminder By Interior Department

WASHINGTON, (UP)—The interior department today reminded thousands of holders of small mining claims in the west and in Alaska that claims for exemption from annual assessment work requirements of the mining laws must be filed by noon tomorrow.

The law requires that holders must perform \$100 worth of work annually on their claims to hold the property. During the last few years Congress has suspended this provision, requiring holders to file claims for exemptions.

The assessment work moratorium was continued for another year by an act signed yesterday by President Roosevelt.

Poems Of Rev. Hoyt Given Library

Mrs. Jessie Maynard, librarian of the city-county library, reports the recent receipt of two additions of the library.

One of these is "Glimpses of Passing Days," a book of poems by the late Rev. J. W. Hoyt, Jr., presented to the library by his widow, Mrs. Anna Hoyt.

The library is also receiving regularly the once-a-month issues of The Pony Express Courier.

Small boys with firecrackers were blamed for a grass fire which called the volunteer firemen to a point near the municipal swimming pool Thursday afternoon.

Mrs. Jennie Levy is here from La Mesa for a visit with relatives and other friends.

Minutes of Board of Supervisors

Tuesday, June 28th, 1938.
The Board of Supervisors having adjourned until this time at its meeting held on Wednesday, June 8th, 1938, and there are present Messrs. Hall, Green, Heusner, Bassi and Breedlove and Arthur J. Koletzke, Clerk of the Board.

Chairman Wm. H. Breedlove, presiding.

"ORDER FOR FINANCIAL REPORT"
Whereas Section 4049 A of the Political Code reads as follows:

The Board of Supervisors shall cause to be prepared and shall publish each year a Statistical Report showing in compendious form all the financial transactions of the County for the fiscal year, exhibiting separately the receipts and expenditures by or on account of each office, board, commission, institution, court and road district and school district and classify the principal items of income and expenditure as to show the financial transactions and the financial conditions of the County, therefore, it is hereby ordered that such report be prepared for the fiscal year ending June 30th, 1938, under the supervision of the County Auditor and the publication be made in pamphlet form, such preparation and publication to be made as follows:

(1) The County Auditor is directed to have said report prepared under his supervision by such person or persons, as he may designate. Compensation for said preparation to be paid from the General Fund, claim or claims duly approved by him.

(2) Upon completion of the preparation of said report, the County Auditor shall have printed 850 copies thereof in pamphlet form and shall thereupon order the printing of said number of copies from the Mountain Democrat.

Compensation of said work to be paid from the General Fund in the usual manner.

It appearing to the Board that the County Budget for the fiscal year 1937-38 was inadequate to meet the requirements of the following named departmental heads, it is hereby ordered by the full vote of the Board that the County Auditor be and he is hereby authorized to transfer the sum of \$10,100.96 from the Unappropriated Reserve Fund to the credit of the following funds:

Appropriation Old Age Security \$7101.51

Notice of Intention to Engage in the Sale of Alcoholic Beverages

June 28, 1938.
To Whom It May Concern:
Notice is hereby given that fifteen days after the above date, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

On Bucks Bar Road at Cosumnes River Bridge.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

ON SALE BEER.

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law.

It is hereby ordered that Supervisor Hall, Henry S. Lyon and Elwood Brewster be appointed as a committee in the matter of the construction of a transmitting station to be erected in the City of Placerville. The cost of said transmitting station not to exceed the cost of \$2000.00 to the County of El Dorado.

On motion duly carried by three-fifths vote of the Board, Supervisors Breedlove and Heusner, voting No, it is ordered that an appropriation of \$850.00 be set aside for the eradication of rodents. Said sum to become a part of the Agricultural Commissioner's 1938-39 Budget and to be a charge against the General Fund of the County.

At the request of the County Clerk and Auditor it is on motion duly made and unanimously carried ordered that that he be authorized to hire the services of one additional clerk in his office for a period of two weeks each month for the months of July, Aug-

ust and September.

It appearing to the Board that the Rubicon Springs Bridge has been washed out during the heavy storms last fall, and it further appearing to this Board that an emergency exists in that there is no way in which the stockmen can move their cattle and sheep, it is ordered that Supervisor Breedlove be and he is hereby directed and authorized to have the bridge replaced forthwith.

It is hereby ordered that Don M. Hoffman, Civil Engineer, be and he is hereby appointed Bridge Engineer for El Dorado County, and he is authorized to make a Bridge Inspection of the various bridges in the County and to prepare his budget on Bridge Maintenance and New Bridges for the fiscal year 1938-39. His services for such work to be at the rate of \$10.00 per day and mileage at 10c per mile.

On motion duly made and carried it is ordered that Mrs. C. M. Bayne, insurance agent be authorized to write an insurance policy in favor of El Dorado County on the contents of the County Hospital Buildings excepting therefrom the Women's Ward and Coffin and Wood Shed, in the sum of \$2500.00.

No further business appearing the Honorable Board took an adjournment until Tuesday, July 5th, 1938, at the hour of 10 o'clock a. m.

ARTHUR J. KOLETZKE,
Clerk of the Board of Supervisors of the County of El Dorado, State of California.

Police Airplane Spots Reckless Drivers

TRENTON, N. J. (UP)—Reckless drivers in New Jersey haven't much chance of slipping by police any more.

Added to the state police department is an airplane which cruises over the roads and spots unruly motorists.

When one is seen, the pilot radios police headquarters, which in turn broadcasts to radio car police to catch the lawbreaker.

Rain Totals 52.19 Inches

(Continued from page 1)

six hundredths; 1906, fifty-four and nineteen hundredths; 1907, fifty-nine and eighty-five hundredths; 1911, fifty-nine and eighty-five hundredths; 1911, fifty-five and thirty-one hundredths; 1936, fifty and seventy-two hundredths, and 1938, fifty-two and nineteen hundredths, if additional rain is not measured before 5 p. m.

Average seasonal rainfall (average computed for fifty years) is 40.46 inches.

Some "lean" rainfall years include 24.71 inches in 1933; 22 inches in 1931; 25 inches in 1929; 20 inches in 1924; 25 inches in 1913; 21 inches in 1912; 27 inches in 1908 and 21 inches in 1898. Before that year, rainfall in all years was at least 30 inches, and in the record of rainfall for all years, the "leanest" year was in 1924.

LIFER, 30 YEARS IN STIR, STILL HOPEFUL OF RELEASE

COLUMBUS, O., (UP)—Chauncey Lyons, Ohio penitentiary's oldest prisoner, refuses to accept as final his life sentence and hopes that some day he may be free. He was sentenced in 1900 from Fairfield county for rape.

He has appeared before the board of pardons seven times. On six occasions the case was continued for reconsideration. The last time his case was continued until the expiration of sentence, which means until his death. Despite the dark outlook on life Lyons says:

"I want to get out as badly as the man who came in here yesterday," and the way in which he says it convinces you he is a long way from giving up his dream of freedom.

OLD AUTOS PLENTIFUL

NEW YORK, (UP)—Although the average life span of an automobile is seven years, about 125,000 cars twice as old as that are still in use, according to the Automobile Club of New York. There are now more than 20,000,000 cars on the road.

PRISON UTOPIA HASN'T HAD "BREAK" IN FOUR YEARS

ZAMBOANGA, P. I., (UP)—Imprisonment no longer is a major social problem in the southern Philippine Islands, where one of the world's finest penal colonies provides a Utopia for convicts. Zamboanga wonders why other places do not imitate its San Roman prison and penal farm, where family life, music and education make escape hardly worth the trouble and risk.

Established by the Spanish army in 1870 and recognized by Gen. John J. Pershing in 1912, the 3,000-acre farm turns in an annual profit to the insular government and keeps prisoners so contented they sometimes ask not to be released.

There have been no escapes in the past four years, although between 1,000 and 2,000 prisoners have been placed in the care of a few guards. Sixteen

of the inmates spend the first half of each year, unguarded, fishing from an island five miles off shore. Fifteen others spend their time unguarded cutting trees from a nearby forest.

Several of the prisoners are permitted to bring their wives and children to the farm, living in native style houses. One inmate was imprisoned seven years ago when he had two children. Now he has five.

The prisoners include three-time Moro murderers, Filipino embezzlers and a few American and European convicts.

CHILD ESCAPES

CLEVELAND, (UP)—Three-year-old Sheila Hahn fell 40 feet from the window of her bedroom, but suffered no injuries. She was sitting on the window sill swinging her heels when the screen gave way and she fell to a concrete drive below.
